This will be an informative, collaborative and most of all FUN event. Information below gives details on the hotel and a general schedule of events.

If you are interested in riding Amtrak to Klamath Falls, Duane Cramer has arranged for the hotel to pick up Amtrak passengers at the K-Falls depot. He can also give you information on how to get tickets, the trip in general, about transportation to the hotel, etc., contact Duane at 360-573-0672.

**SCHEDULE OF EVENTS**

Our adventure will begin Thursday morning, June 25, 2009, with an air-conditioned bus trip to visit Train Mountain. Train Mountain currently has 69,900 feet (13¼ miles) of 7½” gauge mainline track and 133,250 feet (25¼ miles) of total trackage, which includes yards, sidings, and connector tracks. In the 2004 Guinness World Records™ Train Mountain is recognized as the “Longest Miniature Hobby Railroad”. They will be celebrating their “Triennial” with people and their equipment (locomotives and rolling stock) from all over the world participating. It is a huge celebration! There will be many food vendors with a variety of food choices there for you to buy lunch on your own. See <http://www.trainmountain.org> for more information! After visiting Train Mountain we will continue our trip to Collier Logging Museum, an Oregon State Park. It is filled with Logging Equipment and displays, simply an awesome museum! See [http://www.oregonstateparks.org/park\\_228.php](http://www.oregonstateparks.org/park_228.php) for more information. Returning to the hotel for more presentations later that evening.

Friday, June 27, 2009, will feature presentations in the morning and then a special lunch at the park to visit the SP 2579, Class C-9, 2-8-0 steam locomotive at Veterans Memorial Park. It is in awesome cosmetic condition. More presentations back the hotel in the evening.

Saturday morning, June 27, 2009, will start with presentations leading up to the evening and our banquet. Our banquet will include, as it does every year, a huge raffle with many wonderful items. This year our major raffle item was donated by Ed Austin’s North Bank Lines, a painted brass SP&S RS-3...very nice!

Also Saturday morning, Barbara Barney will hold a FREE craft get-together for those that have had their fill of trains. The craft she is planning will be creating greeting cards. If you are interested please indicate this on the registration form so she can plan on enough materials.

*All in all, it looks to be a great time with plenty of activities for everyone!  
We hope to see you there!*
